

RESOLUTION NO. 4312

AWARD - TRAFFIC SAFETY PROJECT

WHEREAS, the City of Lodi has applied for and has been granted a 100% grant for conducting a traffic safety project sponsored under the California Traffic Safety Grant Program and administered by the State of California office of Traffic Safety;

WHEREAS, requests for proposals to provide for professional traffic engineering services to conduct an "Identification and Surveillance of Accident Location Study" for the City of Lodi were sent to the following traffic engineering consulting firms:

George S. Nolte and Associates	San Jose
TJKM	Walnut Creek
DeLeuw, Cather & Company	San Francisco
D. Jackson Faustman	Sacramento
Mohle-Perry and Associates	Villa Park

Following consideration of the costs and the methods of performing the required work; it is the recommendation of the City Manager that the firm of George S. Nolte and Associates be retained to perform the study.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lodi does hereby approve contract for professional traffic engineering services to conduct an "Identification and Surveillance of Accident Locations Study" for the City of Lodi in the amount of \$15,500 to George S. Nolte and Associates.

BE IT FURTHER RESOLVED that the Mayor is hereby authorized to execute said contract with George S. Nolte and Associates subject to receiving formal approval of the contract by the office of Traffic Safety.

Dated: January 26, 1977
